### Dear colleagues!

I inform you that on **April 6-8** will be another **international conference "Young Science. Technology of mechanical engineering"**

I hope that with your participation we will be able to hold it at a high level with a wide representation of students and young scientists in the field of mechanical engineering technology. Since the publication free of charge for you, I hope you will take advantage of this opportunity.

I wish you success and hope for fruitful cooperation!

Head of Department. engineering Technology  
Donbass State Engineering Academy  
prof. Kovalevsky S.
